As always, we are particularly interested in submissions that focus on the future of disability-related research, policy and/or advocacy efforts in relation to the three domains of NIDILRR's research and development agenda: 1) Health and Function; 2) Employment; and 3) Community Living and Participation. Within these domains, papers should focus on one or more of the following areas: Community Participation, Education, Employment, Health, Knowledge Translation, Rehabilitation, and/or Technology.
